

Firdaws Idris O.

Front-End & Web Developer

Personal Profile

I am a creative, go-getting frontend developer with a working knowledge of HTML, CSS, JavaScript, jQuery, ReactJS, Bootstrap, and Sass. I have hands-on experience in frontend frameworks, libraries, responsive design, coding, and debugging. My technical expertise, problem-solving skills, effective communication, and attention to detail make me a highly reliable and well-rounded developer for projects and enterprises.

Professional Skills

Projects & Achievements

- **AfriRecipes:** Developed a user-friendly recipe search and meal planning app, enhancing users' convenience and smooth meal preparation.
- **O-live:** Built a responsive social media platform to connect and foster seamless user communication and interaction.
- **Zee's Kitchen:** Designed a streamlined restaurant booking website, managing reservation processes and improving dining experiences.
- **Zhomes:** Created a real estate website, empowering users with easy access to property listings and facilitating smooth transactions.
- **Doodle:** Designed an intuitive drawing web canvas for toddlers to promote creativity and early childhood development digitally.
- **Zee's Shop:** Developed an online shopping platform, offering users a seamless purchasing experience with a user-friendly interface.

Work Experience

GlobalTech Computers, Abuja

Front-end Developer (Intern) | 2023 – Present

- Created web pages using HTML, CSS, and JavaScript and implemented website responsiveness across multiple devices.
- Tested and debugged various web pages and collaborated with back-end developers to improve website performance.
- Developed interactive functionalities and studied emerging web technologies and tools to enhance in-house resources.

ZeeCode Academy, Abuja

Coding Instructor (Part-Time) | 2022 – 2023

- Instructed participants to develop software using HTML, CSS, and Bootstrap and guided them in reviewing and fixing codes.
- Delivered engaging learning experiences remotely and created practical scenarios to enhance participants' coding knowledge.

Sure Success Academy, Abuja

Computer Science Teacher | 2020 – 2022

- Executed interactive lessons and improved success rate for students taking practical computer-based tasks.
- Managed the computer laboratory and children's learning needs and collaborated with parents to improve the learning environment.
